Erenvue — Compliance Quicklinks

Compliance Quicklinks (US)

Use this one-pager to brief suppliers and internal QA before listing on Amazon, Walmart, eBay and other marketplaces. Verify requirements on official sites and with accredited labs.

Official Portals & Guidance

• FDA – Food & Cosmetics: https://www.fda.gov/food
• FDA – Cosmetics Overview: https://www.fda.gov/cosmetics
• EPA – Pesticides (incl. 25(b)): https://www.epa.gov/pesticides
• CPSC – Product Safety / CPSIA: https://www.cpsc.gov/Business--Manufacturing
• FTC – Advertising & Labeling: https://www.ftc.gov/business-guidance
• FCC – Equipment Authorization: https://www.fcc.gov/equipment-authorization
• USDA – Food & Nutrition: https://www.usda.gov/topics/food-and-nutrition
• CBP – Import Basics: https://www.cbp.gov/trade/basic-import-export

Common Category Notes

• Foods & Supplements: ingredient panel, allergens, nutrition facts, expiry/lot code.
• Cosmetics & Topicals: INCI list, warnings, shelf life; avoid unapproved drug claims.
• Toys & Children's Products: CPSIA testing, tracking labels, small-parts warnings.
• Electronics: FCC SDoC/certification; battery shipping marks.
• Textiles & Apparel: fiber content, country of origin, care instructions.
• Household Cleaners & Pest Control: EPA registration or 25(b) exemption labeling.

Erenvue — Compliance Quicklinks

Documentation to Collect (Typical)
• GS1 UPC/EAN ownership (prefix certificate).
• Accredited lab test reports (CPSC/FCC/etc).
• Safety Data Sheets (SDS/MSDS) when applicable.
• Spec sheets, manuals, warning statements.
• Country of origin and bill of materials.
• Packaging/label artwork with legal text & marks.

Amazon Touchpoints
• Brand Registry (trademark filing/registration).
• FNSKU/carton labels; FBA prep requirements.
• Restricted products policy and category gating.
• A+ Content and image/video standards.
